

ARNAUT *Syrah*

For our taste, no one grows finer Syrah in this state than Dick Boushey. We make this wine with minimal manipulation, using native yeasts and bottling unfiltered and unfiltered, to allow the “place” to shine through.

2012 Arnaud - a tribute to Syrah’s feral heritage - black olive, earth, smoked minerals, and cured meat, along with a dollop of black fruits and lavender. The palate is super-concentrated with savory notes and ripe black fruits. The finish is long, complex, ruminating. Massive wine that remains light on its feet.
