JUSTINE
Red Wine

Justine reflects our belief that Washington can produce world class wines using grape varieties traditional to the Rhone Valley. Dark, seductive, complex, with a chasm of depth: Justine reflects Avennia's mission of expressing Washington's complex terroirs.

2013 Justine—This is an exciting vintage for Justine, leading with aromas of black raspberry, kirsch, lavender, jasmine, and wet limestone. The palate is concentrated and focused, with a complex array of dark red fruits, blackberry from the Mourvedre, licorice root, garrigue, and finishing with savory umami notes and a stony minerality that evokes the Old World wines that inspired this classic WA blend.
